Meet new people who share your same passions by joining your fellow volunteers at our Overnight Outdoor Training. Grab your camping supplies, prepare those funny troop stories, and take a mini vacation from your usual leader responsibilities - tonight, you're the attendee! After setting up your individual campsite, the group will meal plan, shop, cook together, learn fire safety, and enjoy an evening campfire program. New camp friends aren't just for the girls, after all!

Sleeping overnight at this event is MANDATORY.
