DESCRIPTION:

Stepping Out is a course designed to prepare adult volunteers, both leaders and/or troop parents, in the supervision of girls outside of the regular meeting.

After completing the course, you will be equipped with the skills necessary to safely and effectively lead girls to step out into the world through fieldtrips and travel. This course is also a stepping stone between a regular troop meeting and wider outdoor experiences. This course covers skills and planning concerns for adults to facilitate providing girls with safe and enjoyable daytime experiences outside and in nature. Activities that include outdoor overnight camping or outdoor cooking using a heat source of any kind are beyond the scope of this course.

Certification is granted once the Stepping Out test at the end of this document is completed and passed, valid for 3 years.

REGISTRATION CLOSING: APRIL 25, 2019 **NO REFUNDS AFTER DEADLINE.**
